

FREEDOM

“The truth is that we are not yet free; we have merely achieved the freedom to be free, the right not to be oppressed.”

Nelson Mandela

There are enormous positive implications and significant gains for adults and children if they are unchained from poverty and inadequate education.

Living in the past like my
parents and ancestors

Why freedom from the past

Living in the present
moment by
employment of the
new Freedom Remedy

DISCLOSURE: Throughout this presentation, the first-person personal pronoun (I) is used. The (I) pronoun aids in self expression, identification, application and employment of the systemic steps of Humaculture.

Humaculture - Identifies the Homo sapiens baby's potentiality at conception and at birth, then traces the social development of the baby to an adult.

The Freedom Remedy - Guiding principles, processes and procedures on how to become conscious of beliefs, practices and social restraints or restrictions.

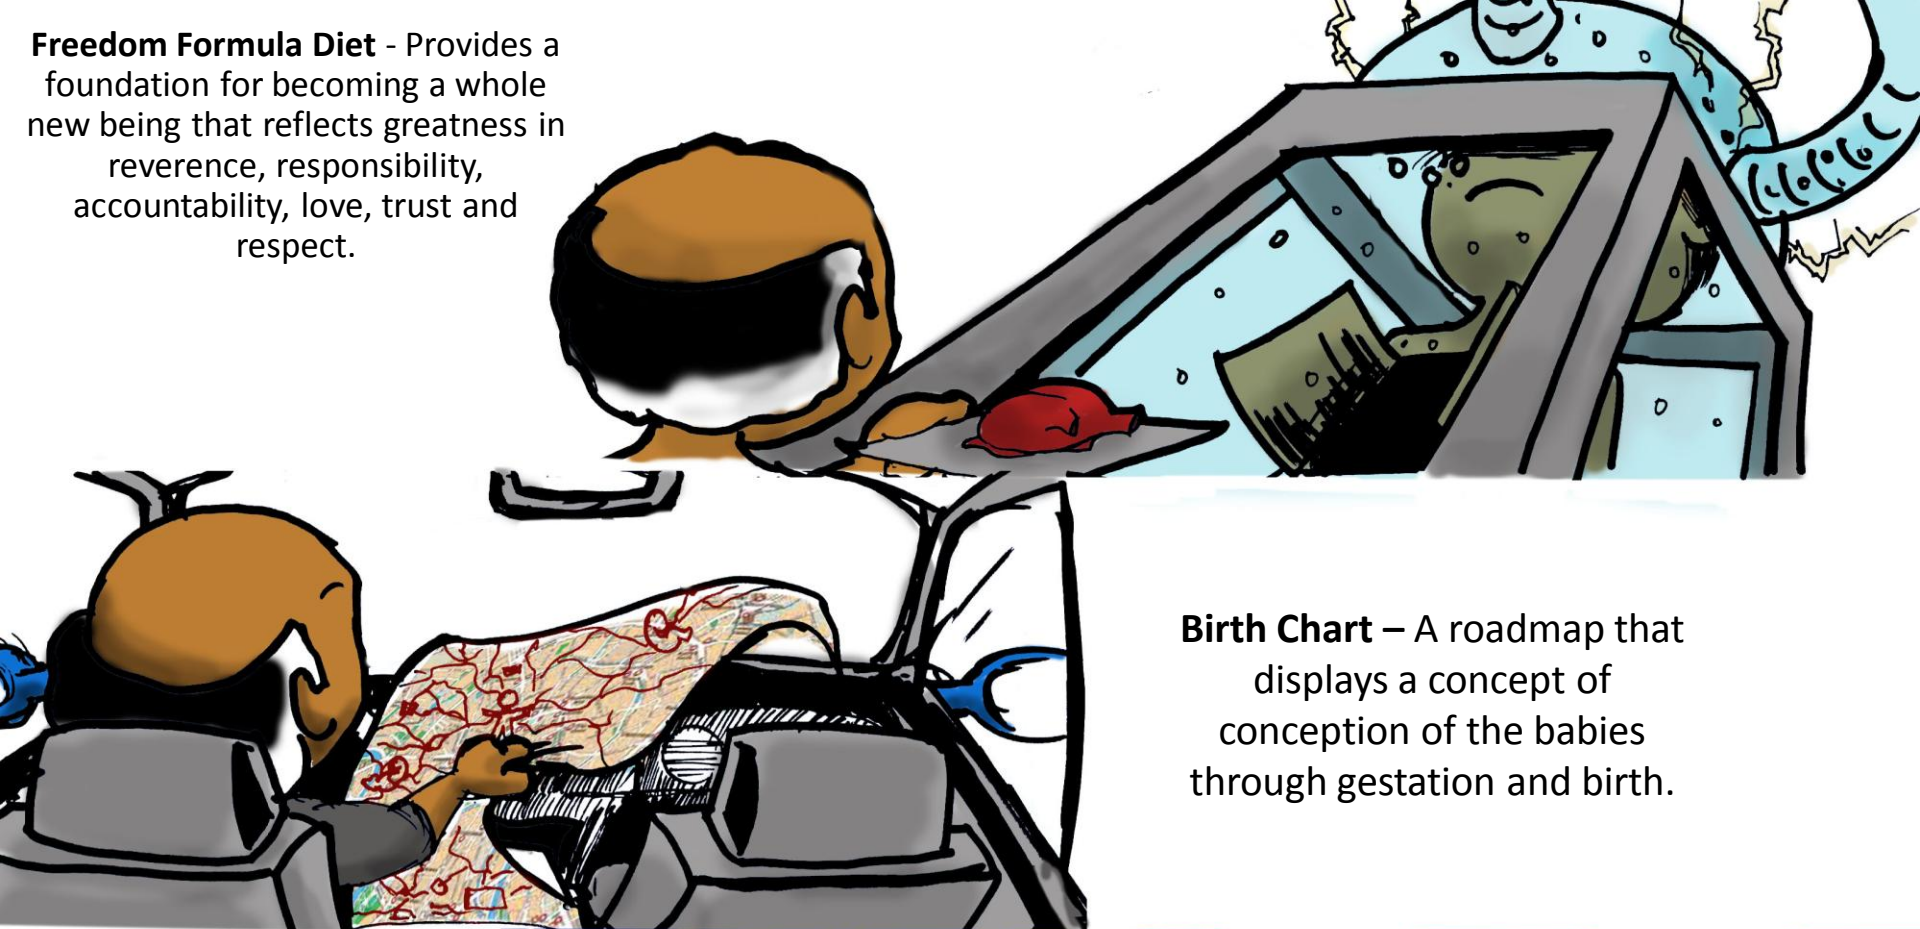

Being an active part of the solution for women and children.

National Servant

Freedom Formula Diet - Provides a foundation for becoming a whole new being that reflects greatness in reverence, responsibility, accountability, love, trust and respect.

Birth Chart – A roadmap that displays a concept of conception of the babies through gestation and birth.

Community Servant – A royal Homo Sapiens model that seeks to live at the highest possible human level.

I met her, and women of integrity, who led me into a new science that supplied me with new knowledge and how to be an active part of the solution.

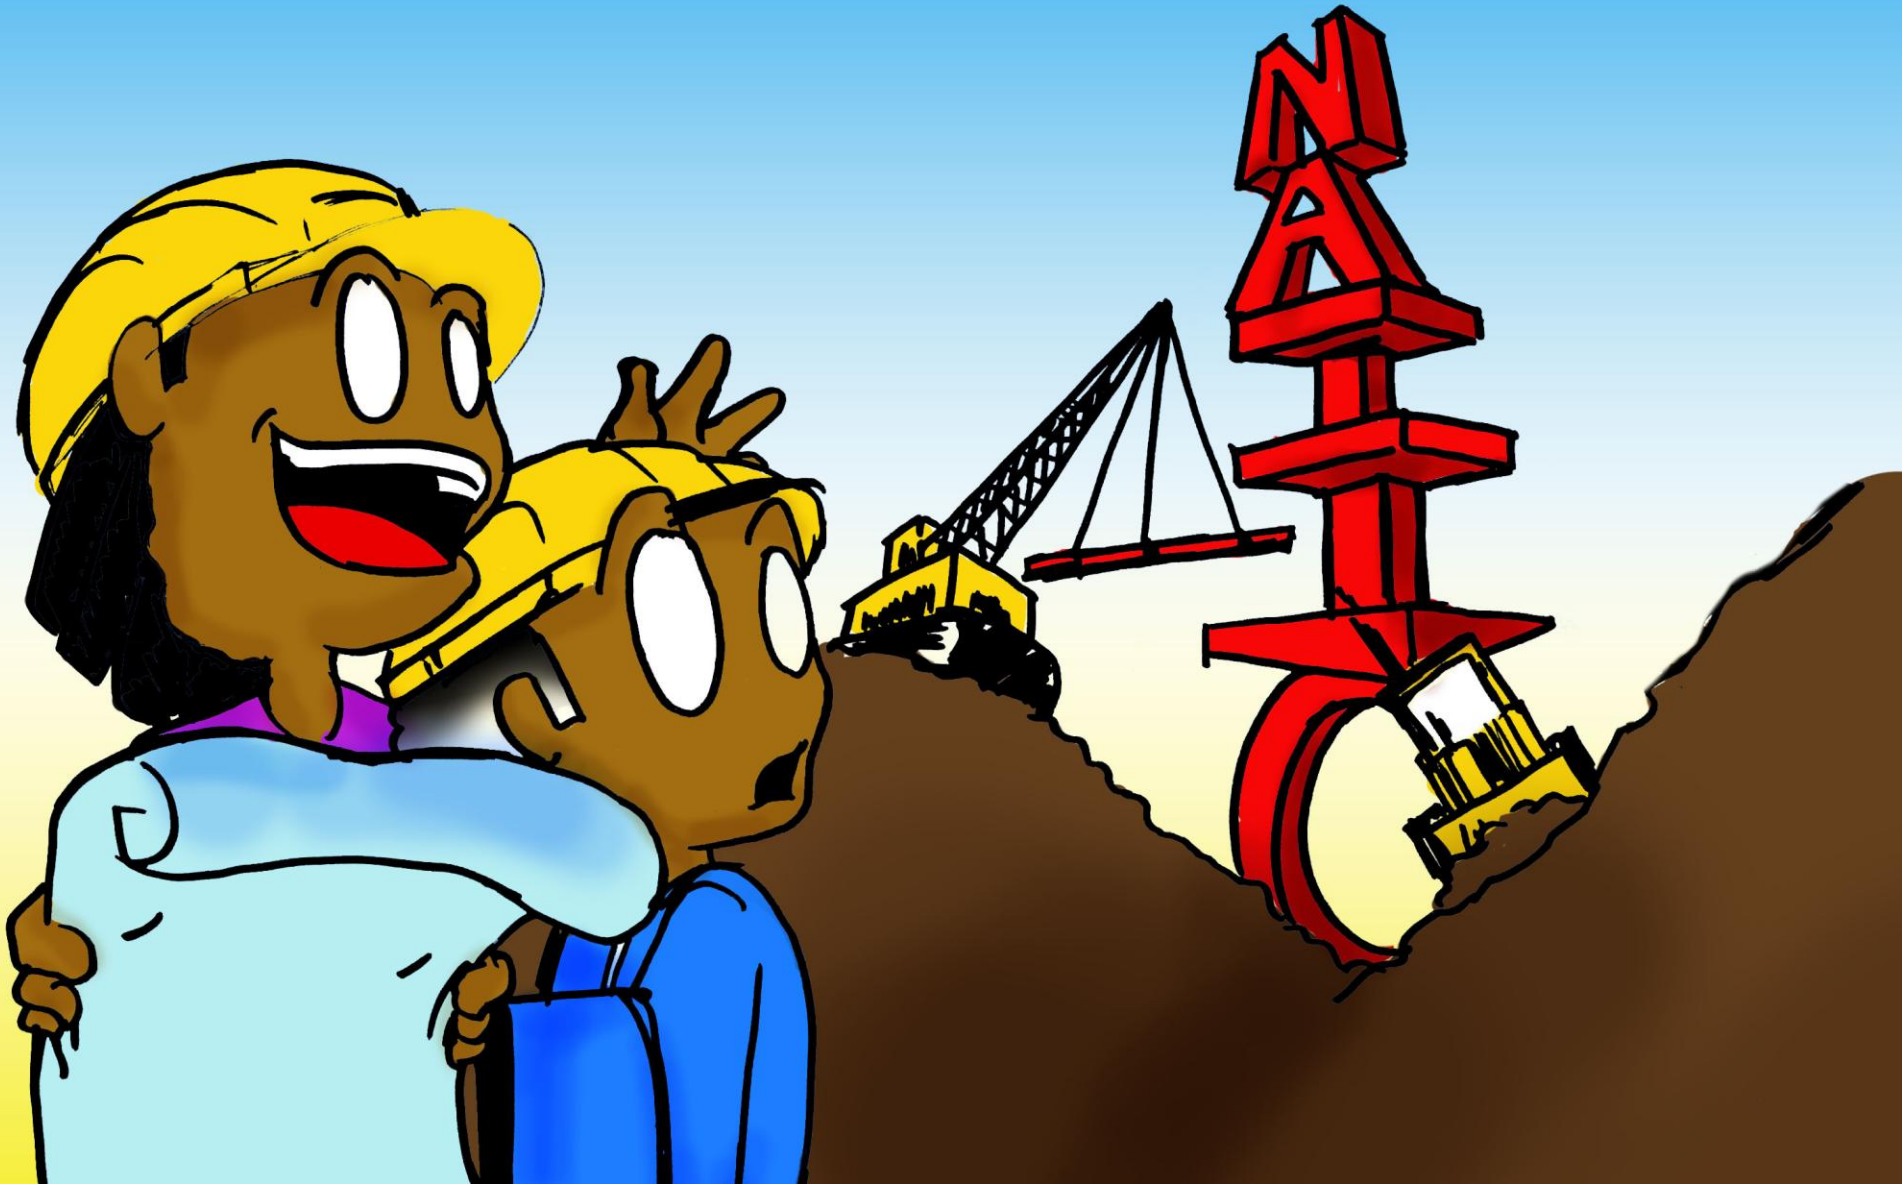

Have you ever examined your parent's life, then evaluated your life by comparison?

I was approached by a very important woman.

She stated, "The research of Humaculture can be used to build a nation."

The research objectivity provides the view of what to break free from and how to chart a path to a greater future.

I was alarmed and ashamed of my limited life and what I had become.

The Freedom Remedy provided me the cognitive tools, formulas and steps to come to terms with my current situation

$13,000 - la (x+1) 75 - 10x$
 $\sqrt{h(a)+1} (x+a) - 25 = 6a$
 $78970 + x \parallel (21,000 + la) 20$
 $99 \sqrt{100 + ab}$

$(-42) + \sqrt{5779}$
 $f(xoa) = \text{Hunan}$

= Freedom

First, I came to terms with where I was on the Birth Chart.

Second, I internalized the truth of my birth as being royal.

Third, I created a character; defined that character, including purpose; imposed that character and definition on myself and others.

Fourth, I wrote a new life script that includes responsibilities, purpose, accountability and life goals. Then I imposed that script on myself.

Fifth, I understood that I was reared as a normal Negro boy to become a worker and a man
(as prescribed by society) .

The final step is establishing a Sisterhood Administration team that provides supervision and gives instruction for my growth and development from my royal birth.

That is how she led me to be an active part of the solution for women and children, and how I am now living in the present moment as An Illuminated Light with Freedom and a Community Servant which is a noble place to be!

I chose a long walk to freedom and you can too, it's worth it !
